

■ Mission Ready.

D&D
ENTERPRISES

WHO WE ARE

Founded in 1996, D&D Enterprises is a global aftermarket supplier, providing comprehensive fixed-wing and rotary-wing aircraft and engine support for End Users, Operators, MROs, and FAA-Certified Repair and Overhaul Shops. We proudly serve government, military, and commercial operators worldwide.

Our mission is to foster relationships built on trust and confidence, delivering valued sustainment solutions that consistently exceed mission readiness expectations.

YOUR TRUSTED PARTNER

We deliver reliable, tailored solutions that ensure your operations are always equipped and ready to succeed. Our extensive inventory and expertise in managing critical components include, but are not limited to:

Rotables & Expendables

Engines, Modules, & Parts

Propeller Assemblies & Parts

Flight Controls & Flight Surfaces

Upgrades & Modifications

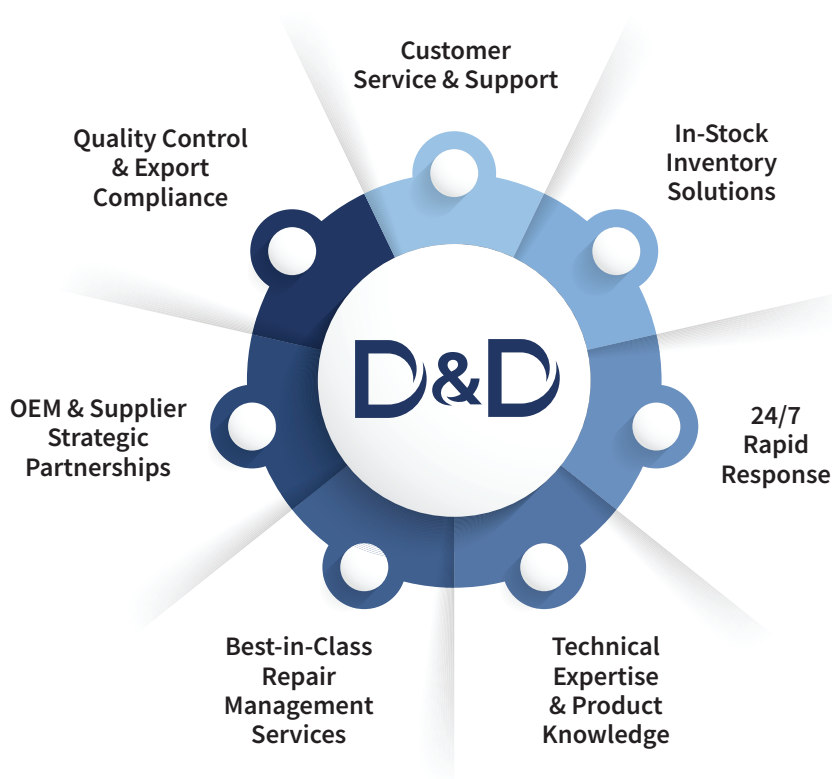

Center & Outer Wings

Repair Management

Parts Manufacturing

OUR CORE VALUES

At D&D, we deliver exceptional customer service by exceeding expectations, anticipating needs, and providing proactive solutions. Our timely, personalized support ensures your operations run smoothly and efficiently, so you can focus on what matters most.
